INDEPENDENT AUDIT REPORT TO THE MEMBERS OF VOLUNTEERING VICTORIA INC

Scope

The financial report and committee's responsibility

The financial report comprises the statement of financial position, statement of financial performance, statement of cash flows, accompanying notes to the financial statements, and the statement by members of the committee for Volunteering Victoria Inc, for the year ended 30 June 2012.

The committee of the association is responsible for the preparation and true and fair presentation of the financial report and have determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are consistent with the financial reporting requirements of the Associations Incorporation Act 1981 of Victoria and are appropriate to meet the needs of the members. This includes responsibility for the maintenance of adequate records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting requirements under the Associations Incorporation Act 1981 of Victoria. I disclaim any assumption for responsibility for any reliance on this report or on the financial period to which it relates to any person other than the members, or for the purpose other than that for which it was prepared.

Audit Approach

I conducted an independent audit in order to express an opinion to the members of the association. The audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influence by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore an audit cannot guarantee that all material misstatements have been detected.

Procedures were performed to assess whether in all material respects the financial report presents fairly, in accordance with the accounting policies described in Note 1, so as to present a view which is consistent with my understanding of the association's position, and of it's performance as represented by the results of its operations. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia. No opinion is expressed as to whether the accounting policies used and described in Note 1, are appropriate to the needs of members.

I formed my audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee.

Whilst I considered the effectiveness of managements' internal controls over financial reporting when determining the nature and extent of our procedures, the audit was not designed to provide assurance on internal controls

Independence

In conducting the audit, I followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In my opinion, the financial reporting of Volunteering Victoria Inc presents a true and fair view in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Volunteering Victoria Inc as at 30 June 2012 and the results of its operations and its cash flows for the financial period then ended.
