

Volunteering Victoria is committed to promoting professional volunteer leadership through our Continuing Professional Development (CPD) program. As such we are pleased to announce that in 2020 we have partnered with regional and state-wide organisations to help us deliver CPD across the state.

From March 2020, CPD participants who undertake training with these organisations will be automatically recognised for the CPD points they acquire.

We are pleased to partner with:

- Ballarat Foundation
- Bendigo Volunteer Resource Centre
- Boroondara Volunteer Resource centre
- Campaspe Volunteer Network
- Centre for Participation
- Eastern Volunteers
- Justice Connect
- Volunteer Central Vic
- Volunteering Geelong

By partnering with these organisations, we are committed to ensuring you are able to claim CPD points for high quality training opportunities in your local area with technical experts.

Contact your nearest endorsed partner to find out which of their training courses are covered.
