VICTORIA

ABOUT US

Volunteering Victoria is the **state peak body for volunteering**.

We advocate, advise and facilitate for an inclusive and thriving volunteering culture.
We do this with and for all volunteers, communities and organisations.

OUR VISION

Victorians are **happier** and **healthier** because they volunteer and build their communities.

OUR GOALS (2022-2025)

1

Volunteering and community building is **appealing** and **accessible** to all Victorians

2

Equip volunteers and leaders of volunteers to have the **greatest impact** they can

3

Advocate for a better **policy** and **funding** environment for volunteering infrastructure

OUR VALUES

Collaboration

Volunteering is a whole of community effort.
Volunteering is a whole of government effort that we seek to forge.

Inclusion

Volunteering needs to be more inclusive.
We address systemic barriers and build strong foundations for all forms of volunteering practices.

Innovation

Volunteering is innovation in community building.
We support people's creative ways to meet the needs in their community through volunteering.

Integrity

We are transparent and accountable in our work.
